NEWS GATHERED FROM SOUTHSIDE

Dr. Rucker States That Health Conditions Are Best in Ten Years.

PAVING IS NEEDED

Veterans Have Large Crowd to Hear Polk Miller-Celebrates Anniversary.

Manchester Burcau, Times-Dispatch, No. 1103 1101 Street. J. No. 1103 1101 Street. J. Tr. E. T. Rucker said in a meeting of the Health Committee last night that the health conditions in Manchester are better now than they have been in ten years past. The cases of typhoid are seventy-five per cent. less than they were at this time last year; there is no dipatheria, and the city has nowhere any diseases of a contagious nature. During the course of his talk Dr. Rucker touched upon the question of annexation, saying that, in his opinion, it is greatly proferable for the city to remain independent, as it is in possession of every natural advantage, has always been without fraud or knows wrongdoing in election and city afairs, and is in a fair way to become an increasingly prosperous city. There is no doubt that Manchester is receding from her position of indefiniteness and is now taking a stand that will in a few years place her on a footing co-equal with that of her sister city across the river. The chief business of public moment was a motion made that the Health, Committee recommend to the Council that a city sanitary officer be appointed at a salary to be determined on later.

In a meeting of the Fire Committee a permit was granted to Mr. B. A. Nurally, of Twelfth and Hull Streets, to build a brick stable and wagon shed.

Many Ask for Paving.

Many Ask for Paving.

Mr. Nunnally appeared before the Street Committee to request that paving be laid on two squares of Twelth Street, between Decatur and Stockton, and between Stockton and Everett Streets, on
the north side. The matter was referred
to the delegation from the Third Ward.
A petition was read from Mr. D. H.
Flayes that the square running from
Tenth and McDonough Streets, be paved.

Tenth and McDonough Streets, be paved. This was referred to the delegation from the Second Ward with power to act. One of the members of the committee then moved that two squares on Ninth Street, from Stockton to Everett, and from Decatur to Everett Streets, be paved.

The sum desired for the work was \$261, and this was asked to be issued from the appropriation of the Second Ward, Mr. Perdue moved that the matter be laid over until the delegation could have further time in which to look into the matter and see whether the conditions in that section would warrant the ex-Ward delegation to report back to cond Ward delegation to report back to the committee. On the motion of Mr. Wakefield it was decided to put down some gravel on Seventh Street, between Stockton and Everett. Mrs. Wight's petition for payement, in front of her property, between Fifth and Sixth Streets eferred to the First Ward delega

aditions existing at Fourteenth for some time, and last nigh the plans which he has drawn up to the engineer of the Virginla Passenger and Power Company, with the request that the latter carry the plans into effect fic-

Many Hear Polk Miller.

Many Hear Polk Miller.

A large audience of the humer-loving neople of Manchester attended the veterans hawn party last night to hear Polk Miller and his always welcome quartette. All were loud in their accidins, and the veterans feel well repaid in securing Mr. Miller for the occasion, and deeply grateful to him for his worthy efforts in their behalf.

The lights shone on a large and merry crowd, who were free with their money and generous in their aid to a noble cause. The cake infiled off was won by Mrs. C. W. Yeardley. The lawn party will continue to-night, when it is expected that Capitals Frank Cuaningham will sing for the benefit of the veterans. The chair will be awarded to the winner, and the affair will close with large proceeds, it is noped, for the camp.

horse and all things "horsy."

The management and promoters of the show have derived a great deal of satisfaction from the significant fact that with them rested the largest entry ever made for a two-day performance for no more than forty classes in Vignina, or, in fact, in America. They claim to their credit two of the largest classes ever exhibited in the United States—one, the green hunters, having sixty-cight entries, and the other, the free for all handicap, a jumping class, with fifty-nine entries.

Society Was Present

Society Was Present.

Society was present en masse—long there of boxes filled with handsomely gowned women from far and near, forming a striking feature of the specincular part of the show. Among the handsome trophles was a large silver cup, gracefully proportioned and delicately wrought, offered to the winner of the green hunter class by Captain Joseph E. Willard. A long roll of grominent exhibitors swelled the lists this season. David Dunlop of Petersburg, is here with a galaxy of winners; Garber and Garber, with thely smart teams; Maxwell Wyeth, with his of winners; Garber and Garber, with his smart teams; Maxwell Wyoth, with his knee actors; Mrs. Blair Johnson, with her invincibles; Julian Morris, Herbert Assileton, Hall, Herring, Russell Smith, Luttrell and many others of show ring repute.

About 2,500 people were at the ring-de when the Horse Show opened. The norning hours were alive with excite ment, Galloway, of Warrenton, had a narrow escape at a pole jump, falling over, while his horse remained on the near side and almost dragged his rider near side and almost away. "Hun" in his attempts to get away. "Hun" in his attempts to get away. He was ensibility, while the grandstand held its

Garber and Garber had an eye on the ribbon from the start, the superb action of their horses carrying off the blue and yellow for the owners. A string of park hacks soon made taelr appearance, and when it came to a question of merit, it seemed hard to determine how the decisions would go. "Rappahannock," Dr. C. S. Carter's championship horse, praneed with excitement when he won the blue.

lop's "See Me Go" won first and second respectively, in a harness class at 1959 A M., defeating Wyeth's "Lady Marjoric." first class for thoroughbree Wingfoot, exhibited by H Assheton, entered on his hind legs, but knocked down the third jump. Skinker's horse, "Leydon," fell heavily on his rider

vere fighting them, and behaved well took the jumps on this horse with only one foot in the stirrups at a great risk to himself, In the free for all handleap, Polson's "Robin Hood" was shown the

The Park Hacks.

Solon's "Robin Hood" was shown the gate for refusal to perform.

Mr. Evans, on "The Lark," made an excellent showing. When near the gate of anoth fell back with Leenard Horner, who, however, soon regained his footing.

A whip of Julian Morris's, Huff by name, got a terrible fall in this class, and the gate of the ground, while the grand stund was stricken dumb. He was carried from the grounds and placed in the bend stand, where a physician brought him to in ten minutes. After the neon recess Wyeth won the park tandem class, Dunlop coming in for second.

The Park Hacks.

The Park Hacks.

In a class for park backs never baving won is blue ribbon prior to 1905, Dr. C. S. Carter was again in the money, "Vindicator" winning second place. Surprise and Derby Dundop's matched team, gave Charming and Alarming, Garber's team, a big run for their money, having them beaten in appointments, but lacking the action of the other two.

Mrs. Blair Johnson was the only lady riding with the competing hunt teams. She handled her mount with absolute composure over four trying jumps. Her horse's performance in the second round was a very clean one, as was her hus, band's also, Mr, and Mrs. Johnson were among the winners in W. U. Benner's team.

The winning teams then rode over the

NEW YORK LEADS YELLOW FEVER

Captain Welles Makes Fine Score. Weather Conditions Excellent for Shooting.

(By Associated Press.)

SEAGIRf, Aug. 30—Now York, twice the winner of the national team match, at the conclusion of this, the second day's work, led the next high compettor. Onlo, by a good margin. The superior work of the New Yorkers at 500 yards rapid-firing and at 800 yards slow fire is responsible for the leading position of the team. The work at 1,000 yards will ge completed for the skirmish runs.

Among the top-notch scores made to day was that of Captain Welles, of New York, who attained a total of 40 out of a possible 50 at 800 yards.

While the weather conditions for shooting to-day were excellent, the rain that fell at intervals greatly reduced the attendance of visitors.

The standing of the ten leading computitors in the national team match at the conclusion of the figure this evening follows:

MRS. TAGGART SEVERE
